NORTHBRIDGE JUNIOR

FOR SALE

NJ209

This is a beautiful boat, the most recently built by Bethwaites. Only one owner since it was built for us; ultralight weight, dry hull. It won most of its races and was a Speedster Club Champion.

It has: A **brand new** carbon fibre mast
Two transparent mainsails – one **never** used
Modern composite centreboard and rudder

If you could order and buy a new NJ now it would cost you over $4,000.

This boat is for sale at $2,900.
